New merchant cash and capital advanced lending program by MerchantCashinAdvance.com gives business denied business loans a new wa to get money. This program has seen an overwhelming response since its launch, with over 8,000 small businesses receiving funding in July alone. Most businesses are able to get future sales [merchant cash and capital](#) advance with no collateral and no credit check.

Traditional strict business lending procedures are leading to denials of loans and [merchant cash](#) to valid businesses according to merchantcashinadvance.com. The new merchant loan program proves almost all companies denied regular bank loans. This new merhcnat cash and capital advancing program has been invaluable to many businesses.

"A slow economy drags down many sectors. There is a domino effect when banks do not feel secure lending out money. We believe this is unnecessary, and many businesses are vialbe enough to pay back these loans. We are now able to offering cash in Cash Advance Services that were unable to receive any sort of financing before." Said Matt Davis VP of finance for Merchant Cash in Advance.

With payback periods as long as 18 months, this new program provides much needed cash without damaging future cash flow or business. These totally unsecured merchant loans are an attractive option to thousands of businesses. MerchantCashinAdvance.com has reached a global audience using the help of highly trained specialists working full time 24 hours 7 days a week, and is now positioned to expand with their new product [business loan](#).
