Merchant Cash Advance

Managing Director, MerchantCashinAdvance
Orance County, CA

Modern Unsecured Business Loans are now offer in the form of merchant cash advances, without having to change merchant processing companies.

With 92% of all business owners being denied for small business loans in 2011, it is no wonder why the merchant cash advance industry has tripled in volume.

Small businesses are now ready to risk it all, which has been reflected in the recent statistics released by MerchantCashinAdvance.com. Even though the figures are not exact, it shows that there has been strong growth of merchant cash advance industry in 2010.

There are at least 50 Merchant Cash Advance transactions that have happened in almost every state of the US. In total, 21,000 Merchant Cash Advance deals made and the industry has funded over \$ 500 million dollars to small businesses and others in 2010 alone.
